

Star Club Program 2020

The Star Club Program gives recognition to fencing clubs which adopt policies designed to foster sound governance in clubs and protect the health and wellbeing of club members.

There are benefits for clubs, and in particular for a club's coaches, when clubs participate in the Star Club system :

The system aims to reflect what a club can offer a member and how involved it is in fencing at the state level, not the level of performance of a club's fencers.

Star Club Status is awarded based on a club having met a specific set of criteria in the *previous* year.

The criteria for each star level is based on various **actions** being taken by the club in the year, or the club membership demonstrating particular **qualities** (such as the accreditation level of its coaches and referees, or club members maintaining first aid or Member Protection qualifications).

The basic **requirements** to earn status and benefits under the FV Star Club system are set out below:

Star One Level Requirements

- The club is affiliated with Fencing Victoria and all club members are *registered* with Fencing Victoria by 1 February each year (with the exception of those doing a beginners or short introductory program).
- All the club's coaches must have completed their accreditation through the AFF Coach accreditation system, and be affiliated with Fencing Victoria, by 1st February each year.

- Have a nominated First Aid certificate holder for their Club
- The club must verify their membership with Fencing Victoria each year (when requested by Fencing Victoria) including return of a completed Fencing Victoria Club Questionnaire.

Compliance with the Child Wellbeing and Safety Act 2005 (VIC) and the Working with Children Act 2005 (Vic)

Irrespective of participation in the Fencing Victoria Star Club system, all fencing clubs are reminded that Child Safe Standards apply to all sporting organisations that operate and provide sporting services to children within Victoria. This includes complying with the Working with Children Act where club members are involved in child related work.

Vicsport has detailed information and guidance for sporting organisations and clubs at <https://vicsport.com.au/child-safe-standards>

See also the Victorian **Commission for Children and Young People** (<https://ccyp.vic.gov.au/>) and the **Department of Justice and Community Safety** website <https://www.workingwithchildren.vic.gov.au/>

Please Note that new legislation was introduced in 2017 and ensure that you comply with the legislation

"As of the **1st August 2017**, the Working with Children Act will Change. 'Working with Children' will include anyone who has oral, written or electronic communication with children, as well as face-to-face or physical contact, with children. Further details can be found at workingwithchildren.vic.gov.au under the heading of 'Changes to Legislation.'"

From **January 2020** all Affiliated Clubs must nominate a Member Protection Officer, who has completed the online portion of the 'Play by the Rules, Member Protection Information Officer Course' on their Affiliation Questionnaire - <https://www.playbytherules.net.au/online-courses>
